To,
[Name]
[Position]
[Company Name]
[Address]

Dear Sir/Madam,

I am writing to explain my keen interest in the Senior Software Developer position at [Company Name]. as advertised on [Job posting site]. With a proven track record of excellence in software development spanning 4+ years, I bring to the table a wealth of expertise in Java, SpringBoot, Microservice REST technologies. I also have some expertise in AWS Cloud with Chalice framework and Thingworx as to build UI design and monitor the cloud based IOT devices. I am excited about the prospect of contributing my skills to your esteemed organization.

Throughout my career, I have demonstrated my ability to design, develop and monitor robust and scalable software solutions. My proficiency in Java, SpringBoot and Python has allowed me to build elegant code that meets performance and security standards. Additionally, my experience in AWS cloud services, encompassing EC2, Lambda, S3 buckets, CloudFormation, IOT Core, DynamoDB and more, has empowered me to build and optimize cloud-native applications that drive efficiency and cost-effectiveness.

One of my standout accomplishments includes, an AWS IOT based Web application where I worked as lead backend developer to fulfil client requirements in a proper reduction in infrastructure costs and enhanced system reliability. This experience highlights my problem-solving skills, leadership abilities, and capacity to collaborate effectively.

As a Senior Software Developer, I am dedicated to not only producing high quality code, but also stating updated with the latest industry trends and technologies enables me to remain adaptable and responsive to the ever-evolving landscape of software development. I am drawn to [Company Name]'s reputation for innovation and its commitment to pushing the boundaries of technology. I am enthusiastic about the opportunity to contribute to your team's success and be part of a culture that thrives on cutting-edge solution.

Enclosed, kindly find my resume, which offers a comprehensive overview of my professional journey and achievements. I would welcome the chance to further discuss with the needs and aspirations. Please don't hesitate to contact me via my email at akash1993dey@gmail.com.

Thank you for considering my application. I am excited about the possibility of joining [Company Name] as a Senior Software Developer and contributing to the continued excellence of your organization.

Sincerely
Akash Dey
